Annual Conference (17 March)

RISKS AND REWARDS are experienced by all OTs working in the wide variety of independent health, social care and medico-legal sectors. Aimed at OTs involved in medico-legal work. Excellent speakers including barristers, solicitors and a communications expert; and sessions on Case Law Update, Getting it Right in Expert Meetings, Tips for the Witness Box, Updates on Legal Aid Reform, and Expert Immunity; and a panel discussion to finish. This promises to be interesting and informative!

Look Before You Leap (16 March)

Considering working in the independent or private sector but not certain about the opportunities, practicalities, and pitfalls? This day could provide the answers; with presentations from OTs who have made the leap and the opportunity to network with those considering it, and dealing with the issues of insurance, marketing, fees, cash-flow and business management.

£110 (early bird until 31.12.11)
£130 (full rate 01.01.12 to 14.03.12)

Conference Award (16 March)

New to this event will be the Conference Award. Following the theme of RISK AND REWARDS, we are asking COTSS-IP members to submit a 250 word reflective piece on THE RISKS AND SUBSEQUENT REWARDS I HAVE TAKEN IN MY INDEPENDENT OT PRACTICE.
